Thank you, Ateneo, for such a rollercoaster ride. In my four-year stay here, I was given the privilege to meet people who made my college experience one of the best. Sure, there were a lot of downs that I had to go through, but those just made the ups all the more meaningful. These are the moments that truly made an impact on my life and I'll never forget them.

“You can’t connect the dots looking forward; you can only connect them looking backward. So you have to trust that the dots will somehow connect in your future. This approach has never let me down, and it has made all the difference in my life.” (S. Jobs)
From entering as an anxious freshman to leaving as a seasoned senior, I can definitely say that my Ateneo journey has been worthwhile. As I brace for the real world, I’m sure that my dots will always trace back to Ateneo no matter where I go.
