“We must be willing to let go of the life we have planned, so as to have the life that is waiting for us.” (E.M. Forster)

Golda Meir G. Castro

A day without her is a day without the sun. You'll rarely see Golda without wearing her infectious smile and that's one of the best things about her. She resembles a sunflower: She'll cheer you up when you're down and she'll make you smile with her upbeat nature. Don't let her looks fool you; inside her is a bigger person. You'll find yourself captivated by intellectual or colloquial conversations with her. At the end of the day, you'll find yourself smiling because of her company. (H. Orate)
