

MINOR IN JAPANESE STUDIES

## ***Pio Ignacio L. Tendero***

A write-up about myself does not set my character in stone. There's still more to learn. Maybe a few months after I graduate, whatever I might write up about myself could've changed by then. I guess I could name a few things what people have called me throughout my life: son, friend, bhe, brother, bear, dear, love, a good listener, a good painter, too serious sometimes, someone who understands. I'm happy that people have called me these, but for the most part, I'll let my life speak for itself.

"Courage doesn't always roar. Sometimes courage is the quiet voice at the end of the day saying, "I will try again tomorrow." (Mary Anne Radmacher)
