

DOUBLE MAJOR IN BS HEALTH SCIENCES; SPECIALIZATION IN DEVELOPMENT MANAGEMENT; MINOR IN SOCIOLOGY

Francis Thaddeus S. Lazaro

Last year's yearbook entry was about looking back, now this one's for the plan moving forward: to do justice, to love kindness, and to walk humbly with God.

DOUBLE MAJOR IN AB ECONOMICS

Paolo R. Magnata

Nine regular semesters, 3 summer semesters, 2 theses, and finally 2 degrees. It's done!

Over the past few years I've realized that group works, save for some rare ones, are terrible; deadlines are literally deadly; and, taking breaks in the Art Museum or enjoying the view in LST can save you from a mental breakdown. Life hasn't been easy and I doubt that the next few years will be any lighter, but I do know that the Ateneo's made me tenacious enough to handle all of it. Thank you. I'll miss you.
