Camille Veronica D. Abaya

“Actually, I try really hard.” (Paulie Bleaker, Juno)

Over the past four years of trying really hard, Camille has adapted, struggled, evolved. Made some bad decisions, and some great ones. Ones she will never regret. She is a try-hard student and a try-hard actress. She guesses the trying’s paid off. Now she is warming up for her next act, down from the hill, conquering the great big stage that is the world. She’s hoping she won’t mess up her lines.

Francis Aaron C. Agojo

“Try to learn something about everything and everything about something.”
(Thomas Huxley)
