

Janelle Iris T. Ormoc

Intelligent and diligent — these words instantly come to mind when one speaks of Janelle. Beneath her petite and dainty physique lies a big heart, and an even bigger determination to excel in everything she does. A true blue model of magis, it's no wonder she consistently tops all her classes, and is one of the most humble, friendly, and genuine people in Ateneo. With such a complete package of beauty, brains, and charm, Janelle exemplifies the saying, "Best things come in small package."

"There are two ways to live your life. One is as though nothing is a miracle. The other is as though everything is a miracle." (Albert Einstein)
