

MINOR IN LITERATURE

Reynaleigh H. De Los Reyes

Sometimes a light shower, Reyna is gentle and a friend among friends. Sometimes a whistling wind, Reyna chimes in and makes the conversation fresh. Sometimes a tempest, Reyna asserts a spontaneous air that just seems too unpredictable.

Four years have passed and this deluge is in need of new fields to explore. Reyna, as fleeting as she may be, will never forget how lively things have been.

Michaela Francesca T. Defensor

“Kapag ika’y namulat na, kasalanan na ang punikit.” (Anonymous)
