Cheers to all the max cuts and overcuts, sleepless nights and countless stress-relief sessions, and friendship-over-acads moments. Thank you, Ateneo.

MINOR IN PHILOSOPHY

Royce Kaddarik T. Chua

Royce is loud. He's the kind of talkative that is always ready for a friendly chat or a heart-to-heart. He's the kind of confident that isn't afraid to speak his mind. He's the kind of brave that fights for the things dear to him. He's the kind of vocal that doesn't hesitate to reassure the people closest to him that he cares for them. He's the kind of flashy that just makes it so fun to be around him because life with him is never dull. He's loud, and people wouldn't have him any other way.
