Sa lahat ng paglalaro ng basketball sa covered courts, ARSAfest na hindi inakala, staplers na natanggap, texts na nasend, breaks, long tests na pinasa, pictures na in-edit, tabang nawala, boteng wala nang laman, kalbo na nakita, milkshakes na ininom, klaseng natulugan, mga kursong pinagpaguran, konseptong pinagmunimunihan, papel na tinapos, mga taong nakilala, distansiyang tinakbo, bundok na inakyat, Salamat. Dumaong na rin ang cokaliong ng kolehiyo at hindi na katulad ng sumakay ang bababa.

“In hot haste the youthful band leaps forth on the Hesperian shore; some seek the seeds of flame ... some despoil the woods ... and point to new-found streams. But loyal Aeneas seeks the heights, where Apollo sits enthroned, and a vast cavern hard by, hidden haunt of the dread Sibyl, into whom the Delian seer breathes a mighty mind and soul, revealing the future.” (The Aeneid, VI, 5-11)
