

Ma. Angelica B. Gutierrez

Paano ba lalagumin ang apat na taon gamit ang ilang mga salita? Ano man ang aking isulat ay tila kulang pa rin upang maipahayag ang kayamanan ng aking mga karanasan sa loob ng pananatili ko sa Pamantasan. Salamat, Ateneo, sa pagpapalalim ng aking kakayahang matuwa, malungkot, magalit, mamangha, magtiwala, makiramay, magnahal--sa paglinang ng aking kakayahang maging tao at magpakatao para sa Diyos at kapwa. Mananatiling buhay ang mga ito sa aking kalooban sa pagpapatuloy ko sa aking paglalayag.

Amiel Dominic C. Hernandez

Amiel is the epitome of surprises. One would think him as someone hard to approach, but he's actually the person too shy to do so himself. He has gone through a lot, and it is amazing how he always makes the most out of every hardship life has to offer and never fails to put a smile on everyone's face. No one could ever compare to his fashion sense, witty remarks, enviable intellect, and strong-willed heart. Amiel is not just the perfect depiction of surprises; he is the epitome of irreplaceable.
