

Mari Geleen G. Pascual

Sa lahat ng nakibahagi sa kagalakan. Sa lahat ng nakasaksi ng kahinaan. Sa mga nagbigay ng kaalaman, sumagot ng katanungan, at bumura ng kamalian. Maaaring ang nagawa ninyo para sa isang tulad ko'y isa lamang patak sa dagat ng panahon, ngunit ang karagatang ito'y magkukulang kung wala ang patak na iyon. Kaya salamat sa paglalayag kasama kayo!

Go for it. These were, and still are, the words I live by; they haven't failed me yet. Nothing has pushed me more than knowing that each chance thrown my way is a choice, to either catch or drop the ball. More often than not, going all out, for the people I love and myself, has proven to be my greatest asset. So, whether it be for a job, a game, or a person, just go for it and make it count. With passion, courage, and a little bit of luck, you just might hit it out of the park. Puso lang!
