

Renzo Louie C. Candano

It's been said that still waters run deep, and on the surface, few are stiller than Renzo. He believes in being unflappable — in keeping a cool head while everyone around him seems to be losing theirs on a regular basis — but he also believes in genuinely caring, whether it's for his friends or the Los Angeles Clippers. In college, you learn the value of keeping it real, and Renzo is one of the realest. (D. Cheng)
