“Sometimes you can’t see yourself clearly, until you see yourself through the eyes of others.” (Ellen Degeneres)

Andrew Scott Y. Uytengsu

Every good journey doesn’t end with “It’s finally over,” it ends with “I wonder what’s next.” Don’t close the door on a new journey just because it looks hard or uncertain. Hope in what the future holds, be open to possibilities, and get on the next boat. We never know where it may take us next.
