

## ***Pauline May L. Fajardo***

From the Photoshop and Illustrator crashes, the nights under the stars and all the FablioHS and Blue Eagle Spellings, I've learned to brave storms and keep afloat; to trust and to fight. I've sailed the past four years but I now know what it's like to fly high.

## ***Patricia Mae T. Ferriol***

It took me exactly four years to know how to navigate around college. Until now, everything's a hit and miss. I doubt it will get easier but to the people who made it so, thank you so much.
