

Isabelle Nicole M. Velandres

Nicole is a sweet, good soul, and a force to be reckoned with. She's fierce, yet gentle; intelligent, but utterly humble. She's a happy pill; the bright sunlight that reminds her friends of the simplest yet greatest things in life. She's a loyal companion. Driven by her ambition, and guided by her ideals, she's an aspirant of greatness, has big dreams for the future, and an inspiration in more ways than one. She's the epitome of excellence – a promising lawyer who has a heart of gold.

Jose Paolo T. Velez

What a fine, sensitive young man.
