

MINOR IN SUSTAINABILITY

Veronica Marie M. Araneta

Maybe it isn't the first day of college, nor the last; maybe it isn't the highest grade, nor the lowest; maybe it isn't the projects, nor the parties. Perhaps it's the conversations over coffee, the professors that resonate with you long after the final requirements, and the laughs with strangers-turned-friends. Perhaps graduating isn't just a product of achievements or failures, but a culmination of the triumphs, pitfalls, and everything in between. Thank you, Ateneo. Always, in all ways.
