

## ***Samantha Denise P. Ferrer***

Being in the Ateneo has taught me a lot about myself, and it has made me into the person that I am today. I've made friends and met people whom I'll keep with me in the next chapter of my life. With all the triumphs and failures I've faced in the four years of my stay here, everything was, and is worth it. It truly is an honor to have been part of a fine institution. Thank you, Ateneo.
