“Believe in yourself and all that you are. Know that there is something inside you that is greater than any obstacle.” (Christian D. Larson)

The purpose of being alive is to be happy. This is something I was reminded of during my stay in Ateneo, where I found happiness in companionship. Striving for a better future — a dream shared between me and my fellow graduates — is a dream that makes me happy, alive, and excited for the friends I have yet to meet.

Thank you, Ateneo, for reminding me that I need not be alone. Thank you for giving me the strength to hope.
