

MINOR IN ECONOMICS

Jean Kenneth B. Cureg

A few numbers: four years, two courses, one minor, five orgs, a hundred all-nighters, and countless friends. Sum them all up and you get Jake's Ateneo experience. But numbers couldn't possibly paint the full picture. All the impromptu adventures, the days spent worrying about shifting, the two-hour rides back home, the late-night conversations with friends – every single memory, part of the story.

I couldn't imagine spending the past four years any other way. It's been an absolute blast.

"I think everybody's weird. We should all celebrate our individuality and not be embarrassed or ashamed of it." (Johnny Depp)
