

Isabella Ma. Beatriz T. Ladaw

College in the Ateneo: brains numbing after nine-hour school days and organic chemistry study sessions, life conversations over wine and good food, dressing up in ridiculous costumes for class, road trips to the beach, laughing over someone getting a marshmallow stuck in her nose, introducing a friend as Kanye West for a Spanish class skit, clubbing on birthdays, strengthening high school friendships, exploring local coffee shops, and learning how to love your best friend's natural gas.

Joneeca Keece Kendelle P. Lazatin

When life gives you lemons, add vodka.
