

Marcus Giancarlo S. Abalos

Are you looking for someone who's friends with almost everyone? The life of the party whose voice is the loudest among the crowd? Well, that isn't Gian. However, he's that friend who will be by your side through thick and thin. Whether you need comfort or someone to laugh with, he'll always be there just because he genuinely cares. Once he sets his mind to something, there is just no stopping him. From finishing a paper due in an hour to answering a test he was late for, Gian will get it done.

MINOR IN GLOBAL POLITICS

Aira Louise P. Agbayani

"Teach me how to say goodbye" (One Last Time, Hamilton). The thought of parting with a place I consider home is outlandish and anxiety-inducing. Yet, I know that my stay in Ateneo was a preparation for a more perilous and uncertain journey ahead. Leaving this home is scary but I know I will always carry a piece of it in me. In striving towards being and doing more, learning, loving, and serving never stop. I am truly blessed and grateful to have been a part of this institution and community.
