What's my version of your story? There are leaders who are revered, then there are those who are loved. You are both. You never gave me a reason to hold back from being myself; you listen to, motivate and tolerate me, and that's when I knew you're more than a leader, you're a friend. I admire and appreciate you beyond words. Nagpapasalamat ako't naabutan pa kita, boss. Thank you for being there at the start of my journey. Never forget, I'll be there in all of yours. (M. Castañeda)
