

MINOR IN CHINESE STUDIES

Kimberly Mae C. Ang

Each and every person I've met, opportunity I've grabbed, and challenge I've overcome in the past four years have certainly taught me how to live, love, dream, and believe. Looking back, I'm glad I never took the easy way and never backed down from challenges. I wouldn't be who I am today without all of them. These people and experiences shown me how life never gets easier; you just become stronger. And for that, I am extremely grateful.

Bianca G. Bautista

"There will be time, there will be time
To prepare a face to meet the faces that you meet;
There will be time to murder and create,
And time for all the works and days of hands
That lift and drop a question on your plate;
Time for you and time for me,
And time yet for a hundred indecisions,
And for a hundred visions and revisions,
Before the taking of a toast and tea."
(T.S. Eliot, The Love Song of J. Alfred Prufrock)
