Raise a glass to the 7AMs and the 9PMs, to the cafeterias for before pay day and UP Town Center for after, to the friends I let go and to the friends I will keep, to the readings I will burn and to the readings I will pass on to my children, to the professors I took willingly and to those I took grudgingly, to the 70-pagers, to the tear-jerkers, and to the all-nighters. They made me into who I am today and prepared me for tomorrow. Thank you for the adventure, Ateneo. Now, onto the next voyage.
