At first glance, you might think of Isa as someone demure and reserved. But don't let this deceive you, because beneath the composure is one feisty lady! Being a perfectionist, Isa strives for nothing but the best. Her passion for excellence is evident as she takes charge and works hard to reach her goals. She is encouraging, kind and motivational, and she extends a helping hand to everyone around her. She tries to bring out not only the best in herself, but the best in others as well.

This journey in the Ateneo has molded me to become resilient in the face of adversity. It was not smooth sailing, yet I was able to see the world outside of my comfort zone. While I understood that the current does not always go in my direction, I also realized that I am perfectly capable of overcoming the barriers that I have always thought were impenetrable. More than anything, I've learned to be courageous and hopeful for what's yet to come.
