The day starts with an invitation to go some place. Lunch. A Coffee shop. A place to study. It could be anywhere. Nevertheless, she makes sure that every moment with the people she cares for is memorable and worthwhile. In times of need, she'll be there to lift you up. And when the day ends, she'll be there to find the good in you, especially when you can't find it in yourself. For her, there's always a bright side, even at night. (K. Hernandez & I. Salazar)

JOURNALISM TRACK

Rafael Maya C. Talabong

'Di ba tayo'y narito upang maging malaya at upang palayain ang iba? Ako'y walang hinihiling. Ika'y tila ganoon din: sadya'y bigyang-laya ang isa't-isa... Ang bawat simula ay siya ring katapusan." (Joey Ayala)
Patuloy ang pagiging malaya at mapagpalaya. Patuloy ang pagmamahal. Simula pa lamang ito.
