

MINOR IN PROJECT MANAGEMENT

Frances Gail M. Magalona

After four years of sleepless nights and rare mornings for sleeping-in, endless cups of coffee and occasional glasses of wine, tears of stress and joy, heartaches and heartwarming moments, we've finally made it! Thank you to the people who were with me in this journey, for teaching me what true love is: it is the kind of love that nurtures, not destroys. Thank you, Ateneo, for teaching me to be this person for others, for reminding me that everything that I do is always for God's greater glory.

Emmanuel Antonio A. Magno

"Indeed, I count everything as loss because of the surpassing worth of knowing Christ Jesus my Lord. For his sake I have suffered the loss of all things and count them as rubbish, in order that I may gain Christ." (Philippians 3:8)
Success is meaningless at the expense of your faith, let alone your humanity. Never let your ambitions turn you into animals doomed to eternal sorrow.
