

Marc C. Malferrari

Marc is profoundly known as “Boss Marc” for his unmistakable know-how and impressive athletic ability on the basketball court. When it matters the most, he is “Mr. Clutch” and always delivers. This guy from Cagayan de Oro displays ease in making friends and relating to people. With his natural confidence, magnetic personality and take-charge attitude, Marc is truly boss on and off the basketball court.

Patrisha Edricka C. Malibiran

I now know how to take risks, how to appreciate my country more, and how to love without asking for anything in return. Thank you, Ateneo.
