“Life is to be lived, not controlled; and humanity is won by continuing to play in face of certain defeat.” (Ralph Ellison, *Invisible Men*)

MINOR IN LITERATURE

Rainier U. David

Rainier David is strange. Strange that he uses basketball analogies to explain his philosophy. Strange that he has pipe dreams of being a monster truck driver. Strange that he went on an apple diet for asceticism. Strange that he breaks his tranquil to be manic at quiz bees. Strange that he wrote his write-up in third person. But the strangest part is that he found friends whom he can always count on to accept his inexplicability and that they have helped him seek out his truer and deeper self.
