

Miguel Luiz L. Ramoy

Sabi sa inyo 'di ako repeater eh.

Julius Jay R. Sambo

Julius has nine hundred and seventy two things he wants to accomplish in life, and most of them are profoundly absurd. Number 9 is having a star, a planet or an asteroid named after him. Number 826 is to sing in front of a stage even though he does not have any musical talent whatsoever. Number 629 is to bake the best cookie ever. Julius knows that when he looks back to this, 7, 28, or 124 years from now, that no matter what happens, no one is prouder of him, than I am.
