To the dear friends I've met, sorry for the times I had to leave early to catch the LRT, cancel our hangouts, and reply to your texts 24 hours later. But I'm not sorry for meeting you, randomly being group mates, staying up late to chat about life, and receiving glares for laughing way too hard. Above all, thank you. Leaving the familiar scenes of college is so hard when it has been the best season of my life so far, but may it never leave your hearts how grateful I will always be.

Sa aking pagpasok sa Ateneo, nagsimula ang aking paglalayag nang hindi ko nalalaman kung saan ako dadaong. Nakasalubong ko ang iba't ibang pagsubok na halos nagpalubog sa akin, ngunit dahil sa mga taong gumabay at umagapay, nakarating ako sa isang isla na puno ng pagpupugay. Maraming salamat sa mga karanasang hindi ko malilimutan!  
Nangarap. Nabigo. Muling Nangarap. Dumaong.
