“For what it is worth, it is never too late to be whoever you want to be. I hope you live a life you are proud of, and if you find that you are not, I hope you have the strength to start over.” (F.S. Fitzgerald)

Ateneo has opened up a rich vast world of endless possibilities. However, life does not stop here—brimming with a pure heart and a curious mind, Gela will go places.

The journey through college was hard and the sea was violent, but thankfully rough seas make good sailors. Ateneo taught me how to brave the storm, how to find my way, how to look adversity right in the face and declare that I will not be weathered. It was also in the Ateneo that I learned how to appreciate the unpredictability of life. Not once did I think that college would be this scary, enlightening, or exciting. I will carry the memories made here to wherever the wind takes me next.
