“Always go back to your ‘why’”. Thank you Ateneo, for being my ‘why’. Thank you for being my dream come true. To the places, people and things that became my ‘why’ over the last few years that have made me who I am, my heart goes out to you. And, to that blue eagle in the middle of Katipunan that has mesmerised me for years, thank you for reminding me, that I had a ‘why’ in the first place.

Take that leap of faith. Make mistakes. There is beauty amid the pain we all have to face. Cry about it, but not long enough to let a chance of happiness pass you by. Take that leap of faith. See what experiences help you grow. Know when it's time to let go. Take that leap of faith to see where it takes you. Wherever you end up, own it. Bask in its glory. It is yours. Take that leap of faith.
