

Jeffrey Joseph P. Ezpeleta

I sail far to where God calls me. I sail beyond the confines of home and guarantee. I sail where there is much perdition yet I am most needed, for now I know I can make history and love wholly and truthfully. I will set shore with all confidence in a place far from where I have started, looking at where I am and where I am going. I will keep sailing until I can sail no further.

Francis Mart Angelo R. Legitimas

When the demands of reality compel you to be cold as a machine and fierce as a beast, never be afraid to show how human you still are. Celebrate your mistakes, frustrations, and failures. These things do not degrade you; they magnify you.
