Samantha Mae J. Cabugsa

My trip has not yet ended and by the time you read this, I will still be on my search for greater things. The Ateneo has kept pushing me these past years and has trained me to always go further. Thank you, Ateneo, for making me realize that I could always go beyond my perceived limitations.

This school has molded me into the person that I am today, and I have nothing left but gratitude to express. For my 24 hour exams, for my block mates, org mates, and my teammates who became family to me, and for all the lessons I have learned beyond the confines of my classroom -- thank you, Ateneo.
