What's lost from there may not grow here
But comes the sun, look what they've done—
They've built themselves a home.

TRACKS IN MANAGEMENT AND PSYCHOLOGY, MINOR IN HISTORY

China Betina M. Ong

Some people go a whole lifetime without seeing a supernova—a brilliant star that's slowly building up momentum for the right moment to make a stellar explosion everyone will remember for the rest of their lives. So I think we're lucky. We've been privy to Betina's rise to supernova status. And I know that when she's good and ready to show us everything she's been working on, we'll be talking in awe about her for the rest of our lives. (Justine Chua a.k.a. the Kirk to Betina's McCoy)
