“To be great, be whole; Exclude nothing, exaggerate nothing that is not you. Be whole in everything. Put all you are Into the smallest thing you do. The whole moon gleams in every pool.”(Fernando Pessoa)

Being an eagle is a privilege and a responsibility. I will wake up every day proud to know that flying is a better alternative to walking, especially when I'm taking all I have learned here with me. Earning these wings was not easy, and I know the work to deserve them does not stop here. I understand that I will hit rough winds, but I will always remember to fly straight and fly high. Thank you, Ateneo, for the flying lessons.
