

MINOR IN SUSTAINABILITY

Marlex O. Tuson

Salamat sa Panginoon na aking gabay sa pagharap sa hamon ng buhay. Salamat sa aking pamilya na walang sawang sumusuporta. Salamat sa mga kaibigang patuloy na umaagapay. Nananatili akong matatag nang dahil sa inyo. Minsan nang nabigo ngunit 'di tumigil. Minsan nang nadapa ngunit bumangon. Nasaktan man ay magmamahal pa rin, at patuloy na hahabaan ang gising para sa iba. Sa pagdaong, isang pagdiriwang ng tagumpay ang aking hiling. Magkasiyahan at magtawanan, ngunit lalayag pang muli. DIOS MABALOS!

MINOR IN FINANCIAL MANAGEMENT

Build with integrity, and be passionate for a cause. From the all-nighters for majors and overloads for minors, to the struggle for conceptualization for core subjects, Ateneo has taught me to always give my 110%, but to never compromise my values. From my long-standing affiliation with organizations to the various conferences, seminars, and contests I had the privilege of partaking in, Ateneo has taught me to take the lead, but only in service of the good. Thank you, Ateneo, for everything.
