

Quenna M. Basconcillo

There isn't a lot about her that you can put into words. Quenna is calm and quiet but at times she is so funny, wait till you hear her sings--oops! Move over Anne Curtis. A classic beauty and wit with a well-fed mind is what she is. You can converse with her from politics, economics and with the latest Kim K news. She became exceptional by design, not by accident. She stands up for what is right. She believes that the greatest things are not achieved by following the crowd but from leading one.

Knowing is not enough; we must apply. Willing is not enough; we must do.
