Ateneo has taught me the value of determination and hard work when faced with colossal challenges. It has taught me the importance of learning how to ask for help and being eager to learn more — to never shy away from failures, as I should not be afraid of trying. But most of all, it has instilled in me that without God's grace, none of this would be possible.

Ateneo, thank you for the four beautiful years you have shared with me. Thank you for showing me that One Big Fight!

“To be great, be whole; Exclude nothing, exaggerate nothing that is not you. Be whole in everything. Put all you are Into the smallest thing you do. The whole moon gleams in every pool.”(Fernando Pessoa)
