

Fiel P. Buencamino, Jr.

Never cease spreading love and happiness. This is what Ateneo has taught me in my four years. In my studies, organization, clubs, and in my relationships with friends, colleagues, and professors, I have given all that I have by finishing all nighters, playing with passion in my sports teams, joining orgs that have noble endeavors and, never letting a day pass by without making my friends and professors laugh. Learning and maturing, I've become the kind of person I am today, thanks to the Ateneo.
