“Do one thing every day that scares you.” (Eleanor Roosevelt)

***Waverllei Shaina
T. Chua***

Look beyond the years as a requirement, and take your time to stay motivated. After having thank my share of some academic failures and success, I'd like to personally thank my family for their moral support and the way my parents brought me up to mature. Thank you as well, my friends--Chessie, Hyei-Jin, Ann, Kitty, Shar, Ate Danica, and Deb--for having my back and for being my sources of encouragement to finish strong.
