Brilliant.

You don't come out of Ateneo as the same person you entered; you grow and become someone else. It's been one of the most gut wrenching and tiring experiences of my life, and I wouldn't have gotten through it without all of you – and you know who you are. To the people who I shared deep conversations, heart to hearts, late nights, tons of coffee, more drinks than we should have had, breakdowns, tears, and a whole lot more, thank you for being there for me and with me. You're all irreplaceable.
