

Ryan Curt Y. De Jesus

Undeniably an introvert, Ryan rarely hangs out with strangers, but often holds no boundaries with his friends. Although a homebody at heart who goes home right after class, he still finds time to hang with his friends. Ryan mostly spends his time alone, often cramming his papers. His intellectual prowess makes him a suitable tutor to most of his friends who need help in accounting and finance. Though seemingly a timid person, Ryan turns a near 360, having a lot in store once you get to know him.

Sa bawat araw ng paggising sa ngiti ng batang gustong matuto, sa bawat hapon ng paggawa ng business proposal, at sa bawat gabi ng pag-iintindi sa trabaho sa org. Nadapa. Tumayo. Naglayag.Salamat, Ateneo. Patuloy pa rin akong makikinig at makikilahok sa mga kuwento ng iba. Patuloy pa rin akong magtataya.
