“The three grand essentials of happiness are: something to do, someone to love, and something to hope for.” (A. Chalmers)
Somewhere behind the person I’ve become are the unwavering support my ever-loving parents provide, the joy my wonderful siblings bring, the fun all of my friends offer: from blockmates to teammates, the wisdom of my mentors give: from professors to coaches, the help of my relatives and the lessons other people lend. All in all, my college life is full of happiness. AMDG.
