

## ***Ian Vittorio Y. Invencion***

Kung bubuksan mo ang katawan ni Ian, makakahanap ka ng pusong gawa sa ginto. Hindi niya masyadong pinapakita, pero ramdam na ramdam mo ang pagka-tunay ng pagmamahal sa kanyang mga kaibigan. Si Ian ay magaling din maglaro ng basketbol. Palagi niya akong tinatalo sa one-on-one. Masipag din si Ian mag-aral at nababalanse niya ito sa iba pa niyang mga gawain. At dahil dito, sobrang saludo ako sa'yo, Ian. (R. Sangalang)

## ***Joseph Sebastian R. Javier***

But in truth, he is many things at the same time, suspended in very human paradoxes, yet able to grow beyond the boundaries that most people impose on themselves.
