

Jan Kenneth T. Reyes

His passion for chemistry and his dream to make the world a better place are only some of his admirable traits. As he embarks on a new chapter of his life, all I can say is that the world must prepare for his ideas and future inventions. Of course, the journey has not been easy and there will be challenges to come, but as we set sail on different courses; one thing for sure is that, the destination will definitely be worth it. To the future Tony Stark, fill the world with greatness! (K. Corpuz)

“The struggle itself is enough to fill a man’s heart. One must imagine Sisyphus happy.” (A. Camus)
“Aling pag-ibig pa ang hihigit kaya
sa pagka-dalisay at pagka-dakila
gaya ng pag-ibig sa tinubuang lupa?
Alin pag-ibig pa? Wala na nga, wala.” (A. Bonifacio)
