

Alawi J. Sularte

"To see the world, things dangerous to come to, to see behind walls, draw closer, to find each other, and to feel. That's the purpose of life." (Secret Life of Walter Mitty)

Years from now, you'll reminisce the past. When you were still in college. Regret, delight, and, perhaps, everything in the spectrum of emotions, you will feel. But most importantly, you'll be thankful. Because you learned to live, to love, to survive, to fight, and to be alive.

Then you'll grin and say, "Nice. Nice. Nice."

Double Major in AB Economics

Danielle-Kate C. Tan

Those who have had the privilege of knowing Dani are aware of her genuine passion for learning. Beyond the classroom, she immerses herself in opportunities to grow. College has been a quest for personal development towards the best possible version of herself. Despite the twists and turns she may have encountered, she remains resilient and ever more determined to reach her goals. Gifted with brains, beauty and personality, Dani is ready to take on anything the future may bring. (C.Tiu)
