

Davison Clinton D. Engay

## Jayson B. Estores

"For you a thousand times over" (Hosseini).

If I were to talk about how college went, sacrifices and giving would tell the tale. I did gain something from it but it was more of going outward. However, I would say that it was all worthwhile and I would not back out from going through all those experiences once again. For all the people I ran the kite for, this is for you.
